

***Chunk of the Month***  
**A mystery quilt for 2022**

By Julia McLeod

## How it works:

- Each month I will show you how to piece a particular block. Some months you will be tasked with making four of those blocks, some months eight.
- I will give yardage requirements and exact measurements but you can decide your own dimensions if you prefer.
- Each month we set aside the blocks we've made.
- By the end of 6 months we will have 44 components to create a 48" square quilt. I will give suggestions for layouts. You can create your own compositions and also add sashing if you wish.
- *No two quilts will look the same!*

For a 48”  
square quilt you  
will need:

- 2 yds Dark
  - 1.5 yds Light
- or scraps!

Chunk 3 - make 4 blocks:  
Cut a total of -

Sixteen  $2\frac{1}{2}$ " squares dark  
Eight  $2\frac{1}{2}$ " squares light  
Eight  $2\frac{1}{2}$  x  $4\frac{1}{2}$ " rectangles light\*  
Eight  $2\frac{1}{2}$  x  $6\frac{1}{2}$ " rectangles light

\*Variations optional

Create a four patch of  $2\frac{1}{2}$ " squares

Press  $\frac{1}{4}$ " seams towards the dark fabric

Attach strips and squares as shown, pressing  $\frac{1}{4}$ " seams towards dark fabric where possible

This is one Chunk #3!  
Make four total.

*Do not sew these four chunks together! Wait until month 6.*

You might position them in one block, place them in the corners of your quilt, or have sashing between them.

If you like to play, or if you want to make more...

4 blocks, or 36

4 blocks, or 36

Not all the Light fabrics have to be the same.  
Experiment with gradations of color or value, or use a coordinating print.

4 blocks, or 36
