

Chunk of the Month
A mystery quilt for 2022

By Julia McLeod

How it works:

- Each month I showed you how to piece a particular block. Some months you were tasked with making four of those blocks, some months eight.
- I gave yardage requirements and exact measurements but you can decide your own dimensions if you prefer.
- Each month we set aside the blocks we made.
- At the end of 6 months we now have 44 components to create a 48” square quilt. Here are some suggestions for layouts. You can create your own compositions and also add sashing if you wish.
- *No two quilts will look the same!*

For a 48”
square quilt you
will need:

- 2 yds Dark
 - 1.5 yds Light
- or scraps!

Sixth and Final Chunk(s)

Cut:

- Four 4½” squares
- Eight 4½” x 8½” strips
- Four 4½” x 24” strips

These are posts and sashing

Now it's time to experiment with some compositions!

The following 10 layouts use all the chunks you have made so far.

You may also add sashing and extra blocks as you please to complete your quilt.

Happy Sewing!
