

# Hand Sewing a Flat Felled Seam: East Bay Heritage Quilters August 12, 2023

We are creating a patchwork sampler using Bojagi-inspired patchwork techniques. You are welcome to use your sampler in a variety of ways: a bread wrap, napkins, curtains, or even with batting and backing for a quilt!

Please have the following available during our time together:

- 2 chenille needles size 24
- Thread (any size between 8wt and 28wt)
- 6 or more Clover Wonder Clips or similar product
- 4 fat eights of solid fabric (quilting cottons, linens, yarn-dyes, or shot cottons are recommended)

Kits containing all of the above items are available for purchase at \$15 USD per at in [the WarmFolk shop](#). Please use code “EBHQhandsew” to purchase.

Helpful tools: cutting mats, rulers, iron and ironing board.

Please email me with any questions [daisy@warmfolk.com](mailto:daisy@warmfolk.com). I look forward to seeing you in the workshop!
