

SCRAPTASTIC OPTIONS

This workshop will cover sorting, storing and using your scraps. It is partially based on the information provided in *Sunday Morning Quilts*. Participants will complete the workshop with sorted scraps, concrete ideas for storing those scraps, and good start on a scrappy quilt top. This is all about learning to love your scraps, down to every last bit.

The goal is for us to organize and see scraps as an inspiring sight, not a burden or mess. In the workshop we will play with different techniques to get us excited about using our scraps.

Supplies

- Everyone brings their own suitcase/bin/bag of scraps, as is. Do not worry about sorting them first.
- Large/X-Large Zippered Freezer plastic bags 6-12 (or more, depending on your scrap bin)
- Sewing Machine
- Rotary cutter, cutting mat, scissors
- Iron and ironing board
- Needles and thread in a neutral colour
- Quilting ruler - 12 ½" square or similar
- *Sunday Morning Quilts* (optional)
- Chocolate and candy for energy (optional)
